Monthly Evaluation

Name: Finy's
 Class: Baby Date: 30/6/2012
 Class Teacher: Jasmin

Dear Parents,

The purpose of Little Stars monthly evaluation is to keep you informed about your child's language development, social skills, special interests, and overall individual growth. This assessment helps to track individual progress, allow you to see their strengths, and identify any areas of weakness that may need strengthening. If you are concerned about any of the comments or have any other questions, please contact the child's teacher or the administration.

GENERAL REMARKS:
